

REMOTE CONTROL

Model RC-2400

For use with Performer Plus (2455AV-02) multimedia player

- Infrared multi-function remote
- Volume and mute for cassette / CD player, AM/FM stereo
- "Intro" feature gives 10 second preview of each track on CD
- Rugged ABS plastic for durability and classroom safety
- One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools

Built to deliver classroom or flexibility in the boardroom, this durable remote control delivers features not commonly found on consumer items.
