

TENSIONED EXECUTIVE® ELECTROL®

Heavy-Duty Concealed-In-The-Ceiling Screen

- Same great features as our Executive Electrol except the screen is tensioned for an extra flat surface for optimum image quality when using video or data projection.
- Tab guide cable system maintains even lateral tension to hold surface flat while custom slat bar with added weight maintains vertical tension.

All fabrics will be seamless.

Doors can be finished by the contractor to match ceiling for a professional look.

For optional remote control operation see options on pages 40-42.
